

YOUR BOOKING

Before processing to a booking, don't hesitate to contact us, we will available be to help you.

OUR TRAILS

- **Only**, the *discovery ride* is available for all horse riding levels (including beginners).
- Other trails are not suitable for novices or low intermediate riders.
- To participate to any other trails, you must have a competent riding level.
Our horses are forward-going and you must be able to stay in control during group canters.
- The *sportive* trail, the *Great Cappadocian Ride* and the *Antalya* trail will concern only **STRONG INTERMEDIATE** and **CONFIRMED** riders who are looking for a sportive and challenging ride. On these trails, a **good physical condition** is essential as you will be asked to get off your horse several times a day, to walk you horse, sometimes up steep paths.
- The *Comfort* trail and the *Dalyan* trail will concern **INTERMEDIATE** to **CONFIRMED** riders. There will be less walking /leading the horses and a little shorter riding days.

If you have any doubt on your riding level please contact us and we will help you to select the more suitable trail for you.

For safety reason, we reserve the right to prevent a client from riding if we feel he does not fulfill any of the following competence level.

- Before coming to Turkey, go for a few rides outdoor and exercise yourself in order to avoid muscular pain or irritations during the trail. `
- If you suffer from the heat, avoid the hottest weeks of the year from mid-June to end of August.
- We value our horses and are extremely attentive to riders' weight.

Riders upper 85 kg, could book with extra charge, for the loan of a second horse. This option is only available on demand, it will depend of the horse riding level of the rider and the availability of our horses.

PERSONAL EQUIPMENT REQUIRED

- Good walking shoes or ankle boots with good rubber soles are essential. Full riding boots and shoes with smooth soles are absolutely not recommended. It makes the walks difficult or impossible.
- Chaps or half-chaps.
- Hard hat. Riding without a hard hat is at the rider own risk.
- One liter water flask. In June, July, August, and September, bring 2 x 1 liter.
- Sun protection in summer : hat, sunglasses and sun lotion.
- In summer, desert cloths; in spring and autumn, bring some warm clothing and a good waterproof jacket
- A swimming suit (for the hammam and the swimming pool)
- Your own basic pharmacy
- A small camera with a case logic that you can fix on your belt or on the saddle
- For your comfort, pack several, lighter bags rather than one large heavy suitcase.
- For the bivouac trail: sleeping bag, towels, torch, powerbank (to charge your electronic devices), mosquito repellent, an extra pairs of shoes and few small water proof bags for crossing rivers
- Your saddles are fitted with 2 saddle-bags for you to carry your personal belongings for the day.
